D-U-N-S: 077431051 | CAGE Code: 7PJX0 | UEI: NCKTZ6BB35C3

Company Overview

Lane's A/C and Heating Services, LLC is a licensed, bonded, and insured HVAC contractor specializing in government, commercial, and institutional projects. We have gained over 13 years of experience providing mission-critical heating, ventilation, and air conditioning services to federal, state, and local agencies. Our team is committed to performance, safety, and compliance with all federal contracting requirements, including adherence to FAR and OSHA standards.

We support facilities with new system installations, emergency repairs, energy-efficient retrofits, and scheduled maintenance programs. Our technicians hold EPA, OSHA, and NATE certifications to ensure the highest level of quality and safety on every project.

Core Competencies

- Design, Installation & Commissioning of HVAC Systems
- Preventive & Corrective Maintenance Programs
- Energy-Efficient Equipment Upgrades (ASHRAE Compliance)
- Duct Fabrication & Air Distribution Systems
- Building Automation & Control Systems (BAS/BMS)
- HVAC Systems for Secure, Mission-Critical Environments
